Do not contaminate!!

When haulers or centers ask that items be clean or sorted in a certain way, **FOLLOW their requests.** Failure to follow contaminates whole containers and often that means it all goes to landfill. Nothing Recycled!

Re-Soiled??

Anything from a plant can go back into the ground. = **Re-soiled.** Add compost to enrich yard, garden, pasture, field. Paper, veggy peels, leftovers, grass clippings, etc.

Reuse, recycle, re-soil or proper disposal of...

A directory of locations where items can be reused, recycled, re-soiled or disposed of properly.

This directory is provided to you by...

Serving the counties of: Boyd, Brown, Cherry, Holt, Keya Paha & Rock
